**EDMONTON (July 25, 2022)** – Super Channel is pleased to announce that the HBO Max Original docu-reality series, *House of Ho*, chronicling the lavish lifestyle, strong family values, and multi-generational clash of the Ho family, will return for a ten-episode second season to **Super Channel Fuse** on **Sunday, August 28 at 9 p.m. ET**, with the first three episodes available On Demand the same day. New episodes will air weekly on linear, with three episodes dropping On Demand September 4, followed by the final four episodes on September 11.

All episodes of season one of *House of Ho* are currently available streaming and On Demand. Super Channel is available via most cable providers across Canada as well as streaming on Amazon Prime Video channels and Apple TV+.

The first season introduced us to patriarch Binh and matriarch Hue, Vietnamese immigrants who achieved the ultimate American Dream and built a multi-million dollar real estate and banking empire. Filled with laughter, love, and luxury, their son Washington and his wife Lesley, their daughter Judy and her fiancé Nate, and Aunt Tina and Cousin Sammy live under the constant pressure to live up to their family's expectations.

Season two introduces new cast members including single roommates Bella Ho and Kim Ho (Washington and Judy's cousins), and independent-minded Vanessa Kon and Tammy Nguyễn (Nate's sisters), and their respective partners Carlton and Tran, who each have unique perspectives on what it means to be part of the Ho family and its legacy.

Katy Wallin, Stephanie Bloch Chambers, and showrunner Nick Lee executive produce the non-fiction series. *House of Ho* is produced by Wallin Chambers Entertainment in association with Lionsgate Television
